

CAMP OLAVE FACILITIES

SI YAY LUM (BLUE SKY, FAIR WEATHER)

SETTING: A beautiful natural forest setting with a large sunny clearing, a short distance from the beach

MAXIMUM SLEEPING CAPACITY: 36 people

FACILITIES: 9 canvas ridge tents on wood platforms
Well-equipped stainless steel kitchen
Large sheltered eating area with fireplace
Hot and cold running water
Washroom facilities (cold water) with flush toilets on site
2 showers for leaders
Drying room (please use as needed and turn heater off when not in use)
Storage room containing portable barbecues, brooms, mops, shovels, rakes, axes, pails and white gas lantern

MAJOR APPLIANCES: Refrigerator with top freezer
Small Freezer
Commercial propane stove with 2 ovens, 6 burners, 1 griddle
Please don't forget to clean the grease trough and trays under the elements after using the grill and stove

FIRE PROTECTION AIDS: Keep filled water buckets by each tent and shelter door
Keep garden hose attached to tap outside the kitchen
2 fire extinguishers (1 to hang on mount in the kitchen and 1 to be hung near the main door)
Please return fire extinguishers to pantry cupboard at the end of each camp
For fire emergency use ONLY, use the air horn (three long blasts)

BRIQUETTES: Please place used briquettes in the fire pit to be burned in subsequent campfires

PARKING: One car per site, the rest in main parking lot
